Quick Reference Guide

1. What does not constitute “income”?

According to §813.106 of the HUD regulations, annual income is *not* to include the following:

- Income from the employment of children (including foster children) under the age of 18 years;
- Payments received for the care of foster children;
- Lump sum additions to family assets (e.g., inheritances, capital gains, insurance policy death benefit payments, settlement for personal/property losses, medical expense reimbursements);
- Income of a live-in aide;
- Educational scholarships paid directly to a student, educational institution, or a veteran;
- Earned income tax credits;
- Unreliable and non-recurring income (e.g., gifts, employee stock option buyouts, etc. As indicated above in 1.b, overtime pay, commissions, fees, tips and bonuses do not constitute unreliable and non-recurring income as defined here.); and
- The value of food stamps allotments (per §913.106 of the HUD regulations).

2. HSBC Savings Account

- Once your enrollment is approved, you will open up a dedicated savings account at your local HSBC Bank branch. You will then make 1 consistent deposit each month for a period of 10-24 months. Do not make deposits on the last business day of the month and do not withdrawal funds.

3. Homebuyer Counseling Program

- You will need to participate in an educational homebuyer counseling program at a local HSBC approved agency. This invaluable course will help you understand the entire home buying process!

4. Mortgage Financing

- Once you are close to reaching your savings goal, a HSBC Loan Officer will be happy to pre-qualify you for a mortgage loan, so you are ready to make an offer on your first home. The HSBC loan officer will also help you through the entire mortgage process.

5. Important Details

- If you sell your home to a household who is not eligible for the FHC grant before you have been in the property for 5 years, you may need to pay back a portion of the grant. After you have enjoyed your home for 5 years, the grant is forgiven.
- Your entire household income must meet the Income Requirements for your county. If you add a member to your household after you are enrolled, their income must be included.

ENROLLMENT TERMS AND CONDITIONS

Applicant Name ("Household")	Co-Applicant Name ("Household")		
Address	City	State	Zip Code + 4
Approved Member ("Bank")	County	MSA	Census Tract

In order for a household to enroll in the First Home Club and become eligible to receive a grant of up to \$7,500 per household for downpayment and closing cost assistance and up to \$500 to defray home ownership counseling costs towards the purchase of the Household's primary residence ("Home"), all applicants agree and understand that they must meet the following terms and conditions:

- Meet the definition of a First-Time Homebuyer (See attached definition).
- Household must be a resident of the District of the Federal Home Loan Bank of New York ("FHLBNY") at time of enrollment. The FHLBNY's District is comprised of New York, New Jersey, Puerto Rico, and the U.S. Virgin Islands.
- At the time of First Home Club ("FHC"), the Household must have an income of 80% or less of the area median income for their current place of residence, adjusted for household size.
- The time of enrollment is the date on which the Household opens the dedicated savings account with the Bank. The maximum duration of enrollment is 24 months with one 12 month extension granted at the sole discretion of the FHLBNY for households having fulfilled all FHC requirements.
- The actual household size is the number of verifiable household members (i.e., any individuals related by blood, marriage, or adoption, or unrelated individuals, including all reported dependents) who will occupy the FHC-assisted residence as established at the time of enrollment.
- In the event that the Household's actual household size changes prior to the time of closing, the FHLBNY reserves the right to re-evaluate the qualifying the Household's size and income(s) retroactively to the time of enrollment.
- Open a dedicated savings account with the Bank and agree to systematically save a portion of the Household's income as determined on the following page.
- Each responsible household member must complete, within the period of the agreed upon dedicated savings program, a FHLBNY approved homebuyer counseling program offered by the Bank.
- Qualify for and obtain mortgage financing exclusively through the Bank for the purchase of a primary residence within the FHLBNY's District (i.e., New York, New Jersey, Puerto Rico or the U.S. Virgin Islands).
- Provide all necessary documentation to determine eligibility within the FHLBNY's FHC policy.
- Certify that all the information provided to the Bank is true and accurate.
- Execute a legal recordable retention document, at the time of closing, which ensures that the home remains affordable for a period of 5 years ("Recapture Period"). The FHLBNY may request the return of a portion of the matching grant funds awarded if the home purchased with the assistance of the matching funds is sold to an ineligible household (income exceeds 80% of the area median income, adjusted for family size, in which the house is located). The FHC grant may be fully forgiven if the household sells the home to an eligible household (income not exceeding 80% of the area median income) during the recapture period.
- The Applicant may refinance the first mortgage or take a home equity loan. The applicant will not be required to return the matching grant funds if the home continues to be subject to a deed restriction or other legally enforceable retention agreement or mechanism.
- First Home Club funds may be used in conjunction with other programs including other FHLBNY Affordable Housing Program awards. The combined subsidy amount from the FHLBNY may not exceed \$20,000 per household.
